

## **SPECIAL CLASS ASSEMBLY- EYP 2B – A REPORT**

On the bright, sunny morning of 12th August 2025, the young learners of EYP 2B presented a vibrant and patriotic special assembly to commemorate the country's 79<sup>th</sup> Independence Day. The presentation beautifully tied in with the school's annual theme, 'Jamboree', bringing together the spirit of festivity, unity, and national pride.

The assembly commenced with a morning prayer, followed by the thought for the day. The news highlights and weather forecast were also shared, adding an informative touch to the proceedings.

The central highlight of the assembly was a captivating presentation showcasing India's three armed forces – the Indian Army, the Indian Navy, and the Indian Air Force. With confidence and enthusiasm, the children portrayed the valour, discipline, and dedication of our soldiers, sailors, and air warriors, reminding everyone of the sacrifices made to safeguard the nation.

This assembly also helped the young learners understand what independence truly means – that there are brave soldiers who guard our borders, allowing us to sleep peacefully and protecting us from intruders.

This was followed by a colourful Independence Day celebration scene where children came dressed up as national symbols – the majestic tiger, the graceful peacock, the sacred lotus, the vibrant national flag, and the sweet mango – each representing India's heritage and pride. The performance was a visual treat, reflecting the joy and unity of Jamboree.

At the end, the Head of the School addressed the gathering and left the children with a thought-provoking question – "What can you do to make India stronger?" – encouraging them to reflect and find their answers.

The skit was followed with a patriotic dance performance, filling the atmosphere with energy and patriotism, and finally, we concluded the programme with the National Anthem, leaving everyone with a deep sense of pride and reverence for the motherland.

## GLIMPSES OF THE ASSEMBLY
