

SPECIAL ASSEMBLY: GRADE II B - A REPORT

“ Nature's Voice: Are We Listening? ”

The students of Class II-B presented a deeply thought-provoking assembly on Monday, 11th May 2026, titled "Nature's Voice: Are We Listening?"

The assembly commenced with the blessings of the Almighty, creating a serene and positive atmosphere. The young learners then captivated the audience with a thoughtful presentation highlighting the importance of caring for nature and protecting our environment. Through expressive speeches, the children beautifully conveyed how nature constantly communicates with us through changing seasons, chirping birds, flowing rivers, and the beauty around us.

A special skit showcased the consequences of neglecting nature and emphasized the urgent need to conserve trees, reduce pollution, and adopt eco-friendly habits. The students confidently portrayed the message that even small steps taken by each individual can make a significant difference in preserving the Earth for future generations.

The assembly also highlighted the importance of the Sustainable Development Goals (SDGs), particularly those related to climate action, life on land, and sustainable living. Through their presentation, the students spread awareness about building a greener, cleaner, and more responsible future for all.

GLIMSES OF THE ASSEMBLY
